Background
English and Americans are two nations separated by a common language
The English language was first introduced to the Americas by British colonization, beginning in the early 17th century.
Over the past 400 years, the form of the language used in the United States have diverged in a few minor ways leading to the dialects now occasionally referred to as American English and British English. Differences between the two include pronunciation, grammar, vocabulary (lexis), spelling, punctuation, idioms, formatting of dates and numbers, and so on.
