7.3.1 The vision of the College includes aims to provide knowledge of the highest standard and achieve overall excellence in all facets of academic and personal development. To foster the humanitarian values, spirit of love, compassion, secularism, universal brotherhood and patriotism are imparted to students. College facilitates holistic development of the younger generation through development of physical, mental and spiritual well being. Moral values and social Etiquettes are taught and practiced in the College campus. The students get requisite lessons that keep their minds ignited for seeking knowledge and are motivated to do well in all spheres of their life. One distinctive practice of the College is the daily morning assembly which is taken up for 15 minutes before the classes. It is an effective mechanism for maintaining discipline, nurturing leadership skills, exposing hidden talents of the students and punctuality.

Extracurricular activities are conducted in the College which gives a platform to the students to display their talents and potentialities. The College also consists of various committees which look after the welfare of the students and cater to their needs. The Mentoring Programme that has been initiated by the College has also made a positive impact especially on the personal development of the students. The close relationship formed between the mentor and the mentees has helped the students to feel connected to the College as a member of the fraternity and not just as a mere student with a daily class routine. In the process of the mentoring, the mentors are able to learn more not only about their personal interests but also about the challenges that they face both as a student and as a member of the society. And accordingly, the respective mentors try their best to offer their guidance and if necessary, they are also referred to the Guidance and Counseling cell of the college.
