ABOUT CONFERENCE

The sustainability of our beautiful planet depends on the conservation of the environment and the judicious use of resources. Growing population and changes in human living standards have led to successive industrialization, and urbanization that ultimately exploited the resources, excessively and created tangible issues of pollution and environmental degradation through mining, deforestation, landfills etc. This selfish human approach have brought modern-day suffering in the form of calamities, disasters, and modern-day diseases to every existing form of life. Moreover, bigger challenges such as climate change and ozone depletion have almost knocked on the door. Protecting and sustaining the environment and available resources is necessary to protect this planet's future and the coming generations. With the disastrous pace of climate change and environmental degradation, finding urgent measures to protect the environment from any further damage should be the priority. Bringing back the environment to its original state is critically important and is the only solution for our planet and mankind. According to Ban Ki-moon, "Saving our planet, lifting people out of poverty, advancing ethical and economic growth... these are the same fight. We must connect the dots between climate change, water scarcity, energy shortages, global health, food security and women's empowerment. Solutions to one problem must be solutions for all".

The Aligarh College of Education is organizing the annual conference to find the dots, connect them, and provide solutions. The conference will bring together national and international experts, policymakers, activists, and innovators to address pressing environmental challenges. This premier event fosters collaboration, knowledge sharing, and solution-driven discussions to protect our planet's environment and natural resources.

MISSION

To convene a diverse community of stakeholders committed to environmental stewardship, promoting cutting-edge research, policy reforms, and grassroots initiatives that drive sustainable development and conserve our planet's environment, biodiversity, and natural resources.

OBJECTIVES

1. Facilitate national and global dialogue: Share best practices, research, and expertise to address environmental concerns.
2. Foster collaboration: Build partnerships among governments, NGOs, corporations, and local communities.
3. Promote innovative solutions: Showcase eco-friendly technologies, policies, and initiatives.
4. Empower action: Inspire individuals and organizations to adopt sustainable practices.

KEY THEMES

1. Climate Change Mitigation and Adaptation
2. Biodiversity Conservation and Restoration
3. Sustainable Development and Green Economy
4. Environmental Policy and Governance
5. Eco-Innovation and Technology
6. Community Engagement and Education
7. Organic farming, Naturopathy, and meditation
8. Ethical implication of environmental conservation
9. Pollution and climate change mitigation and adaptation

Chief Patron

Patron

Prof. M. Muqim

Director
Aligarh College of Education, Aligarh
Former Chairman, Department of Philosophy
F/o Arts, AMU, Aligarh

Prof. Akhtar Haseeb

Former Vice Chancellor,
ND University of Agriculture & Technology Ayodhya, UP
Former Pro-Vice Chancellor, AMU, Aligarh
Former Controller of Examinations (CoE), AMU, Aligarh
Former Dean, Faculty of Agricultural Sciences, AMU, Aligarh

Convener

Dr. Naila Zia

Principal
Aligarh College of Education
Aligarh

Co-Convener

Dr. Syed Kamran Ahmad

Assistant Professor, School of Science,
Aligarh College of Education, Aligarh

Conference Coordinator

Assistant Professor, School of Science
Aligarh College of Education, Aligarh

Conference Co-coordinator

Dr. Prince Tarique Anwar

Assistant Professor, School of Science
Aligarh College of Education, Aligarh

CALL FOR ABSTRACT

The organising committee invites original research abstracts for oral / poster presentations and full-length research papers based on the conference's themes. Original one-page abstract (A4-size with 2.5 cm margin on all sides, single column, Times New Roman font, font size 12, 1.5 line spacing written in MS WORD should be submitted at gpoc@aligarhcollege.in, before 30th March 2025. The participants are requested to mention the relevant sub-theme, the paper's title, their names, affiliations and contact details. Selected and accepted papers will be published in Current World Environment (Indexed in NAAS-5.37, UGC-Care, J-GATE, CABI, etc.).

Plagiarism, Cancellation, & Refund Policy

Cancellation of participation may be entertained if requested. However, there shall be no refund of the registration fee once paid by the participant(s). In abstracts and full-length articles, the candidates/authors shall be solely responsible for any plagiarism detected at any stage. The fees for articles/abstracts later rejected due to plagiarism shall also not be

PARTICIPATION FEE

Scholars	: 1000 INR
Faculties / Scientists	: 1500 INR
Industry Delegates	: 2000 INR

IMPORTANT DATES

Abstract Submission:	Registration:	Last Date for Abstract Submission:
05 March 2025	15 March 2025	31 March 2025

CONFERENCE AWARDS

The first, second & third best oral/poster presentation awards shall be conferred to the presenters from each theme.

ADVISORY BOARD

PROF. ANWER JAHAN ZUBERI

Former Professor, D/o Education, AMU
Former Vice Chancellor,
University of Calicut, Kerala

PROF. ABDUL ALEEM

Ex-Chairman, Department of Hindi, AMU
Former DSW, Aligarh Muslim University
Aligarh

PROF. SUHAIL SABIR

Former Professor
Department of Chemistry
Aligarh Muslim University, Aligarh

PROF. QUDSIA TEHSEEN

Department of Zoology
Aligarh Muslim University, Aligarh

PROF. SP SINGH

Department of Physics
Aligarh Muslim University, Aligarh

PROF. ASADULLAH KHAN

Interdisciplinary Biotechnology Unit
Aligarh Muslim University, Aligarh

PROF. MAHESH KUMAR

Former Professor
Department of Civil Engineering
Mangalayatan University, Aligarh (U.P.), India

PROF. ZIAUL ISLAM

Former Professor,
Madawalabu University Bale Robe
(Ethiopia)

PROF. AFFAN BADAR

Professor
Former Chair
D/o Applied Engr. & Technology Mgmt.
Indiana State University (USA)

ORGANIZING COMMITTEE

Convener

Dr. Naila Zia

Contact No.: 8755661151 • Email: nailaz85@gmail.com

Co-Convener

Dr. Syed Kamran Ahmad

Contact No.: 9058895282 • Email: entosaiif@rediffmail.com

Finance Committee

Ms. Abida Ghaffar (Cell: 8077973965) | Dr. Naila Zia
Dr. Syed Kamran Ahmad

Publication and Designing Committee

Dr. Naila Zia | Dr. Syed Kamran Ahmad
Dr. Zebus Sehar | Mr. M. Rehan (Cell: 7900935525)

Registration Committee

Dr. Prince Tariq Anwer | Dr. Afsha (Cell: 7351425172)
Dr. Mohammad Faisal Umar | Dr. Sana

Hospitality & Logistics Committee

Dr. Taha Naqvi (Cell: 7830621212) | Mr. Mohsin Ali Khan
Mr. Mrigraj Singh Samant

Publicity Committee

Mr. Mohd. Farooq (Cell: 8218228814)
Dr. Mohammad Faisal Umar | Dr. Syed Kamran Ahmad

Auditorium Committee

Dr. Razia Saleem (Cell: 7906525604) | Dr. Rabia Darab

IT and Technical Support

Mr. Mohd. Farooq | Mr. Shah Nawaz Khan (Cell: 8630659778)
Mr. Mugees ur Rehman

Feedback Committee

Dr. Sanobar Parveen (Cell: 6396273953) | Dr. Athar Afsar Sulaiman
Dr. Zebus Sehar | Dr. Ahsan Ahmad

ABOUT ALIGARH

Aligarh city is located on the main Delhi-Kolkata railway link and Grand Trunk Road, approximately 140 km southeast of the capital city, New Delhi, and 91 km from Agra city. It is very well connected with the major cities of India by railways and roads. Aligarh is mainly known for being the seat of Aligarh Muslim University, having a unique heritage, and being an example of Indo-Islamic culture. The other popular landmarks are Aligarh Fort, Jama Masjid, Khereshwar Temple, the birthplace of Swami Shri Haridas Ji, etc. The city is also famous for its lock industry and is nicknamed the "city of locks" (Taala Nagri). The weather in Aligarh is mostly pleasant (25-35°C) with monsoon starting in late June continuing until early October followed by winters.

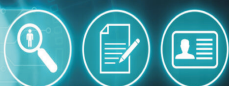

ABOUT THE COLLEGE

Aligarh College of Education (ACE) is located on NH-509, Chherat, 10 km from the Aligarh Junction. It was established by Crescent Charitable Trust, Aligarh founded by Prof. M. Muqim with the vision of providing quality education to the deprived and underprivileged class of the society, under NEP initiative of Hon'ble Prime Minister, Shri Narendra Modi. The college was established in 1999 in an area of 12 acres, it has influenced society with its excellent management system and well-qualified and dedicated faculty having qualifications from top Indian and foreign universities. Since its inception, the ACE primarily focused on language, discipline, soft skills, leadership qualities, moral values and personality development of students and staff. As per the needs of society, the ACE offers 13 undergraduate and three postgraduate programs and is poised to introduce four new programs from the coming session 2025-26. The college is declared a minority institution playing a vital role in uplifting society. The college is duly recognized by the University Grants Commission (UGC), National Council for Teachers Education (NCTE) and NAAC accredited with B⁺⁺ grade. Under the visionary guidance of Prof. M. Muqim, the college has successfully attained 2(F) and 12 (B) status. Despite being a minority institution, ACE fosters a true diversity of Indian society by offering equal enrolment opportunities to all the classes of society.

Academically, the college has six Schools of Studies with well-equipped laboratories, a rich library, and modern smart classrooms with audiovisual facilities. Also, the ACE is equipped with proper sports infrastructure and space for badminton, cricket, volleyball, chess, kabaddi etc., and regularly organizes sports events under the vision of "Khelo India" by Honourable Prime Minister Shri Narendra Modi. With existing training and placement cell, the ACE assist the pass-out students in getting employment and guides them for self-employment and startups. Furthermore, the ACE actively organises national and international conferences, seminars, symposia, and invited lectures to promote academic research and collaborations. The college has also collaborated with an American university for students interested in higher studies.
