Director's Message

Dear Students,

It gives me great pleasure to **welcome you to Aligarh College of Education** — a place where potential is ignited, and futures are shaped. As you begin this transformative chapter in this **academic year**, I feel inspired by the possibilities that lie ahead for each of you. At Aligarh, we are committed to building a learning environment that inspires intellectual curiosity, critical thinking, and a deep passion for lifelong learning. By combining time-honored values with forward-thinking practices, we aim to prepare you for the complexities of a fast-changing world.

Our dedicated faculty and inclusive academic programs are designed not only to impart knowledge, but to empower you as future leaders, innovators, and change-makers. We believe in education as a force for positive change — for individuals, communities, and society as a whole.

I encourage you to make the most of every opportunity here: dive into your studies, engage actively in campus life, and build meaningful connections. Your time here has the potential to shape not only your future, but the world around you. Wishing you an enriching and successful academic year ahead.

Best Wishes,
Prof. Mohammad Muqim
Director

Principal's Message

Dear Future Leaders,

Welcome to Aligarh College of Education — a place where ambitions are nurtured and possibilities come to life. As the Principal, it brings me immense pride and joy to invite you to be part of our vibrant academic family for this **session.**

At Aligarh, education is more than just acquiring knowledge — it's about shaping individuals who are ready to lead, innovate, and make an impact. Our experienced faculty, cutting-edge facilities, and deep-rooted academic values together create an inspiring environment where students grow intellectually, socially, and personally.

This year, we encourage you to dream bigger, question deeper, and engage meaningfully with the world around you. Your journey with us will not only be educational but transformational — cultivating character, creativity, and a lifelong passion for learning.
Let's work together to build a future that reflects your highest potential.

With best wishes,
Dr. Naila Zia
Principal

About Us

Welcome to Aligarh College of Education (A.C.E)

A distinguished institution committed to delivering quality education and fostering holistic development since its **establishment in 1999**. Founded under the visionary leadership of the **Crescent Charitable Trust**, the college was created to empower the underprivileged and bridge intellectual, social, and spiritual gaps through meaningful learning. With a mission rooted in social responsibility and academic excellence, ACE provides an enriching environment where students gain not only theoretical knowledge but also practical insights essential for their professional and personal growth. Over the years, the college has emerged as a center of inspiration and innovation, **dedicated to shaping the educators and leaders of tomorrow.**

Vision and Mission

Vision

To be a leading institution in teacher education, known for innovation, excellence, and global relevance — shaping future educators who inspire change and progress.

Mission

To nurture responsible, creative, and skilled educators through a dynamic learning environment that promotes critical thinking, leadership, and social awareness.

Salient Features

- **Provide quality education to all, especially underprivileged students.**
- **Promote critical thinking and problem-solving.**
- **Encourage moral, secular, and cultural values.**
- **Develop leadership, creativity, and decision-making skills.**
- **Help students discover and reach their full potential.**
- **Build responsible, ethical, and productive citizens.**
- **Prepare students for careers and real-world challenges.**
- **Foster respect for cultural and environmental diversity.**
- **Encourage spiritual, ethical, and value-based living.**
- **Support overall personality development—mind, body, and spirit.**

Why Choose Us?

At ACE, we believe that exceptional education begins with exceptional educators. **Our faculty is carefully selected not just for their academic excellence but for their passion for teaching and their commitment to student growth.** Every staff member brings a mix of knowledge, dedication, and innovation to the classroom, ensuring that learning goes beyond textbooks. The college is also **supported by a skilled administrative team, whose responsibilities extend far beyond routine tasks**—they actively contribute to strategic planning and policy-making, ensuring the institution remains efficient, forward-thinking, and student-focused.

Our Legacy in motion

The college began its inspiring journey under the visionary **leadership of Professor Mohammad Muqim in 1999, founded by the Crescent Charitable Trust.** Since then, it has grown steadily, adapting to meet evolving educational demands. Over the years, it has introduced a range of programs aligned with societal and industry needs. **Recognized under section 2(f) and 12(b) of the UGC Act, 1956,** the institution proudly holds minority status and plays a pivotal role in shaping career opportunities. A significant number of graduates have secured placements in reputed national and international organisations, while many others have boldly ventured into entrepreneurship, creating success stories of their own.

Campus Facilities

Classroom Facilities

Aligarh College of Education provides **well-structured, spacious, and well-ventilated classrooms** that promote a focused and comfortable learning environment. Each classroom is designed with ergonomically arranged seating, ample natural light, and proper ventilation to enhance student well-being. The college also features smart classrooms equipped with modern teaching aids such as **interactive whiteboards, LCD projectors, and audio-visual systems.** These smart classrooms enable dynamic and multimedia-based teaching, making lessons more engaging and effective. The integration of technology supports a learner-centric approach, encouraging interactive participation and collaborative learning among students.

Cafeteria Facilities

The cafeteria at Aligarh College of Education offers **a clean, comfortable, and student-friendly environment.** It serves a variety of **nutritious and hygienically prepared meals, snacks, and beverages at affordable prices.** The menu caters to diverse tastes, ensuring that students and staff have access to healthy food options throughout the day. The cafeteria also serves as a social hub **where students can relax and interact during breaks.**

Library Facilities

The library at Aligarh College of Education is a **vital** academic resource, offering a rich collection of books, journals, reference materials, and digital resources that support the curriculum and research needs of students and faculty**.** The library **provides a quiet and comfortable environment for study, along with access to computers and internet facilities for academic use.** Regular updates to the collection ensure that users have access to the latest information in the field of education and related disciplines. Well-organized and efficiently managed, the library serves as a hub for learning and intellectual development.

Sports Facilities

Aligarh College of Education promotes the holistic development of students by offering a range of sports facilities on campus. The college provides **well-maintained grounds and equipment for outdoor and indoor games.** Regular sports events and inter-college tournaments encourage teamwork, physical fitness, and a spirit of healthy competition among students.

Sporting facilities are offered for games like:

- **Cricket**
- **Football**
- **Volleyball**
- **Basketball**
- **Badminton**
- **Javelin**
- **Shotput**
- **Discus**
- **Carrom**
- **Chess**

IT Facilities

Aligarh College of Education is equipped with modern IT facilities to support students in their academic journey. The college features a **well-maintained computer lab with high-speed internet access, updated software, and multimedia systems.** These resources are integrated into the teaching-learning process to enhance digital literacy and provide hands-on experience in educational technology. Regular training sessions and IT workshops ensure students stay current with technological advancements in the education sector.

Transport Facilities

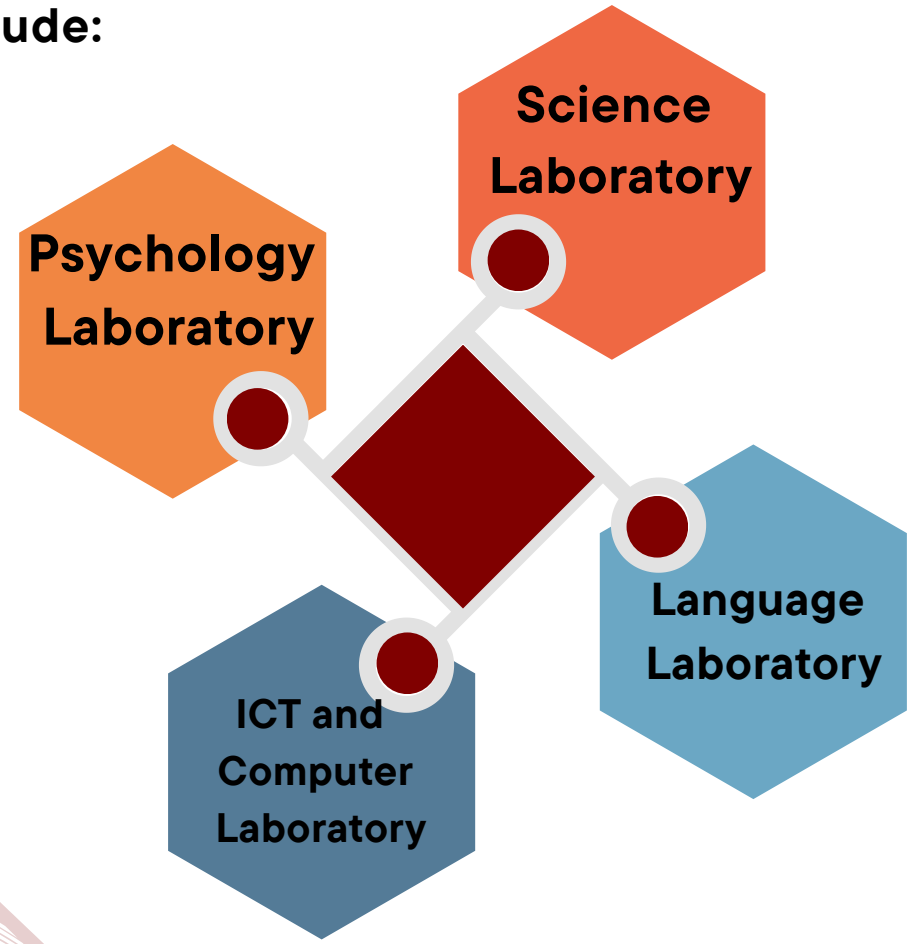

Transportation Facilities at Aligarh College of Education Aligarh College of Education **offers reliable and convenient transportation facilities for students and staff.** The college operates a fleet of well-maintained buses covering key routes in and around Aligarh to ensure safe and timely commuting. Each vehicle is **equipped with necessary safety measures and operated by experienced drivers.** This service helps students from nearby towns and rural areas access the campus comfortably, supporting regular attendance and punctuality. **Transportation schedules are designed to align with class timings, making travel stress-free and efficient.**

Well-Equipped Labs

Laboratory Facilities

Aligarh College of Education is committed to providing a practical and application-oriented learning environment through its state-of-the-art **laboratory facilities.** The college features **well-equipped and spacious laboratories** that cater to the academic needs of students pursuing teacher education.

Key labs include:

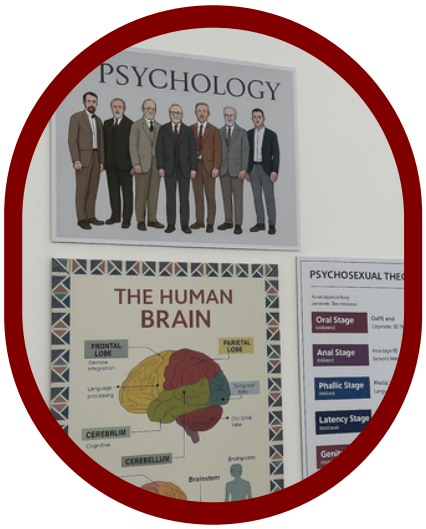

All laboratories are regularly updated and maintained to ensure a safe, effective,and Simulating learning environment. These facilities play a vital role in developing the professional competencies of future educators.

Science Laboratory

Designed to support experiments in physics, chemistry, and
biology, the lab is furnished with modern scientific apparatus, models, charts, and safety equipment. It encourages scientific inquiry and practical demonstration skills
essential for future educators.

Psychology Laboratory

This lab enables students to explore various psychological
concepts and testing methods. It is equipped with standardised psychological tests, tools, and instruments for assessing intelligence, personality, aptitude, and other
behavioural traits, supporting experiential learning in educational psychology.

Language Laboratory

To enhance communication skills, the language lab offers
interactive software, audio-visual aids, and listening-speech systems that help students
improve their pronunciation, fluency, and language comprehension in English and
other languages.

ICT & Computer Laboratory

Integrated with the college's IT infrastructure, this lab provides hands-on training in educational technology. Students learn to use multimedia tools, teaching software, and online resources to create and deliver tech-enabled lessons.

24/7 Wifi Campus

Aligarh College of Education offers a **fully Wi-Fi enabled campus, providing seamless internet connectivity 24/7.** This facility ensures that students and faculty have uninterrupted access to online academic resources, research materials, and digital learning platforms across the campus. Whether in classrooms, the library, or hostels, the always-on connectivity supports a tech-savvy learning environment and encourages continuous learning beyond traditional classroom hours.

Best Practices and Policies

Aligarh College of Education is committed to providing a holistic, skill-oriented, and student-centered learning environment. The UPS (Unique Performance & Participation System) has been designed to ensure academic excellence, practical exposure, personality development, and active student engagement.

The policy aims to strengthen classroom learning through innovative teaching methods, continuous assessment, co-curricular participation, and experiential learning opportunities.

Components of the UPS Policy

1. Classroom Presentations

Each student shall prepare and deliver at least one PowerPoint presentation during the semester to improve presentation and communication skills.

2. Viva Voce & Practical Sessions

Students will participate in viva sessions and practical activities conducted by faculty members or external experts to strengthen conceptual understanding.

3. Reading Assignments

Reading assignments and review-based activities shall be conducted periodically to promote academic reading habits and analytical thinking.

4. Educational Visits

Educational visits to universities, schools, institutions, or academic centers shall be organized to provide practical exposure and experiential learning.

5. Academic Tours

Students may participate in academic tours and field visits to broaden educational understanding and exposure.

6. Sports & Wellness Activities

Inter-class sports activities and wellness programs shall be organized to encourage physical fitness, teamwork, and mental well-being.

7. Expert Lectures
Guest lectures, workshops, and interactive sessions by subject experts and professionals shall be conducted for academic enrichment.

8.Group Discussions (GD)
Group discussions and collaborative classroom activities shall be conducted regularly to improve communication skills, critical thinking, and confidence.

9. Book Review & Reading Activities
Students shall be encouraged to introduce and discuss selected books, articles, or educational resources to enhance reading culture and reflective learning.

10. Celebration of Important Days
National, cultural, educational, and institutional events and celebrations shall be organized to foster social awareness, inclusiveness, and student participation.

11. Attendance Recognition
Students maintaining outstanding attendance and regular academic participation may be recognized and appreciated by the institution.

12. Continuous Practical Evaluation
Regular evaluation of practical work, assignments, teaching practice, and classroom performance shall be maintained by faculty members.

13. Certificates & Appreciation
Certificates, appreciation letters, and recognition shall be awarded to students demonstrating creativity, discipline, leadership, and consistent performance.

14. Personality Development Programmes
Special sessions shall be organized for personality development, communication skills, interview preparation, and professional growth.

15. Mentoring & Feedback Sessions
Faculty members shall conduct mentoring sessions to guide students academically and personally. Constructive feedback shall be shared to support improvement.

Campus Culture

Aligarh College of Education **fosters a vibrant and inclusive campus culture that encourages academic excellence, personal growth, and mutual respect.** The college nurtures a sense of community where students from diverse backgrounds come together to learn, share, and grow. A blend of academic activities, cultural events, and community outreach programs enriches student life and promotes values such as integrity, responsibility, and leadership. The college emphasizes holistic development by **supporting extracurricular interests alongside academics, creating well-rounded future educators.**

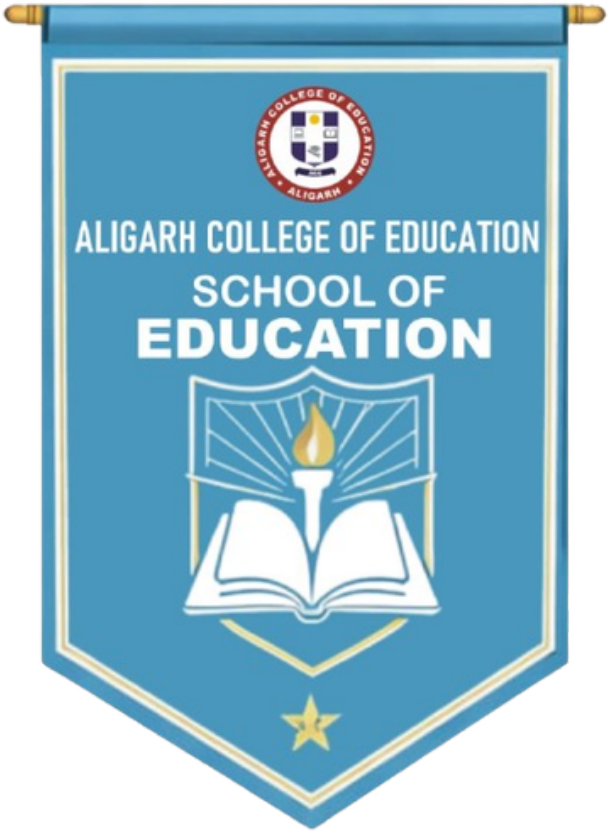

Cultural and Extracurricular Societies

Aligarh College of Education fosters a vibrant and inclusive atmosphere through various cultural, social, and academic societies. These societies offer students opportunities to explore their talents and interests:

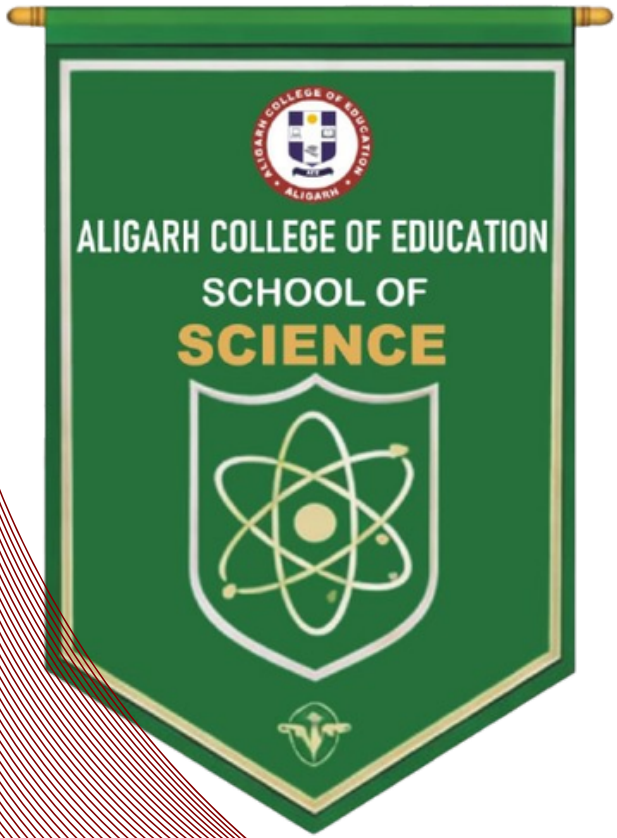

- **Debate and Literature Society**
  - Organizes debates, elocution competitions, poetry recitals, and writing events
  - Enhances public speaking and literary skills
- **Fine Arts Society**
  - Provides a platform for painting, sculpture, and photography
  - Hosts exhibitions and creative workshops to showcase student talent
- **Women Wellness Club**
  - Promotes mental, physical, and emotional well-being of female students
  - Conducts workshops, seminars, fitness programs, and self-care initiatives
  - Empowers and supports women in their personal and academic lives
- **Sports Club**
  - Encourages participation in indoor and outdoor sports
  - Promotes teamwork, fitness, and healthy competition
  - Organizes sports events, tournaments, and fitness activities
- **Technical Paper Presentation Club**
  - Provides a platform for presenting research papers and innovative ideas
  - Facilitates discussions on the latest educational technologies and methods
  - Develops research, writing, and presentation skills for academic and professional success

Through these societies and clubs, students not only refine their talents but also **develop essential life skills such as leadership, teamwork, and confidence**. The vibrant extracurricular culture ensures a well-rounded educational experience.

School Of Education

The School of Education at Aligarh College of Education is committed to nurturing future educators with a deep understanding of teaching and learning processes. The programs combine academic rigor with hands-on teaching practice, ensuring that students are well-prepared for the demands of modern classrooms. With a dedicated faculty, innovative teaching methodologies, and a focus on inclusive education, the School of Education empowers aspiring teachers to make a meaningful impact in both local and global educational settings.

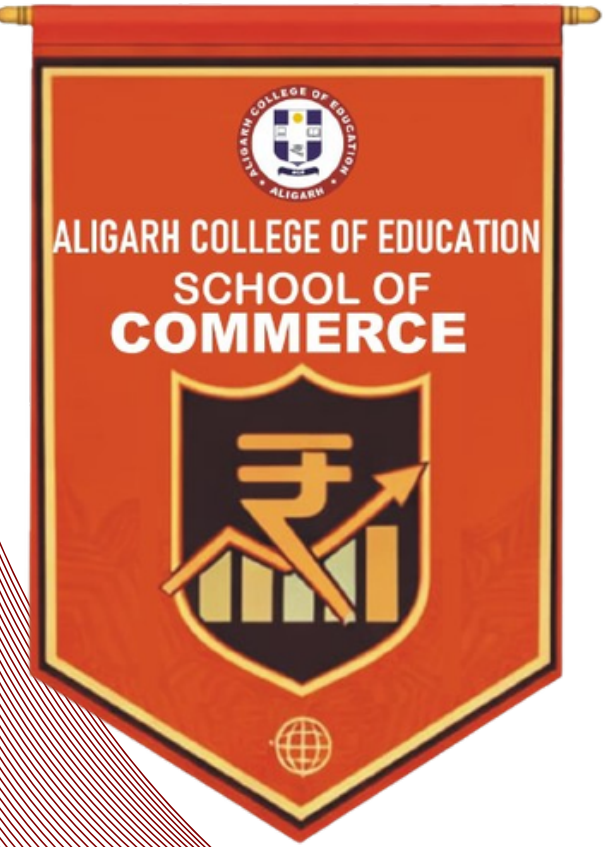

School Of Science

The School of Sciences at Aligarh College of Education offers a rigorous and dynamic academic environment, fostering a deep understanding of scientific principles and methodologies. With well-equipped labs, experienced faculty, and a focus on research and innovation, the School of Sciences prepares students to excel in academic and professional scientific careers while developing critical thinking, problem-solving, and analytical skills.

School Of Arts & Humanities

EDUCATIONAL HUBS NEARBY A.C.E

Aligarh, a city rich in history and academic excellence, offers students and visitors a blend of educational institutions and cultural landmarks.

- **Educational Hubs:** Aligarh Muslim University (AMU): Established in 1875, AMU is a premier institution offering a diverse range of programs.

- **Maulana Azad Library:** The largest university library in Asia, housing over 1.8 million volumes.

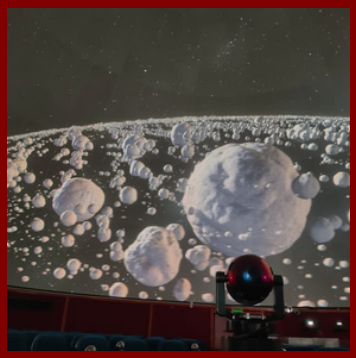

- **Aligarh Fort:** A historic fort dating back to 1525, showcasing Mughal architecture and offering insights into the region's history.

- **Sir Syed Mosque:** Located within the AMU campus, this mosque is a symbol of communal harmony and architectural grandeur.

These institutions and landmarks not only enhance the educational experience but also provide a deep connection to the rich cultural heritage of Aligarh.
